Get those closets ready for spring! NYC parents can buy and sell gently used children's items thanks to Be Green Kids Consignments (www.begreensale.com). It's a great way for parents to make money and save money on kid stuff. Give your exersaucer another life and pass it on to someone for some cash. Start getting your goods together for the April events.

Be Green Kids Consignments holds annual Fall and Spring children's consignment events in New York and Rhode Island. The idea is that by offering a safe setting for parents to buy and sell gently used children's items they can reduce the impact our little ones have on the environment and save a little cash.

At the Be Green Kids Consignment events top quality, new and gently used items are resold from parent-to-parent at a fraction of the original price, thereby reducing the effect that the production and disposal of these items has on the environment.

Being a seller or a buyer at our events, you get to be green in two ways: saving the environment AND saving money. **Becoming a Consignor is as easy as 1-2-3**

1. Gather all of the items you want to sell. They accept spring/summer newborn to size 12 kids clothes, toys, books, furniture, high chairs, strollers, bedding and more.
2. Clean, prepare, price & tag your items. YOU set the price on your items. You automatically earn 60% of the proceeds from the sale of your goods!
3. Drop-off your items the day before the sale starts. YOU DO NOT NEED TO BE PRESENT at the sale, we do all the on-site work for you!
